The high product lighting captures attention and enhances the shopping experience

Distinctive product attributes

Touchless experience

- After selection and payment via Breasy app, the final-user can collect the product through automatic opening.
- This combination of technologies offer an ideal solution for modern, safety-conscious environments, offering a seamless and contactless purchasing experience

Accessories available

- Thanks to the accessories such as integrated lift system or automatic opening of the compartment, the delivery product is easy and safe.
- Transparent visioshops allow from 8 to 10 selections per tray, increasing capacity. The internal layout is flexible and modular, without need of tools.

Gusto wide values

Sustainability excellence

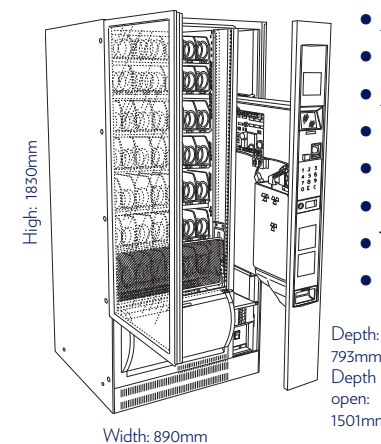

- Class D energy label (according to IEC EN) achieved through excellent thermal insulation and use of high-efficiency R290 natural gas.
- Designed also with bio-circular plastics parts, up to 60% recyclable components and 100% recyclable packaging easy to be disposed.

Full solution with guaranteed performances

- High-performance cooling unit ensuring the best quality under demanding environmental conditions as 35°C / 65% of humidity.
- Banked with a Necta Barista coffee machine allows a complete experience with the full digital services proposition (two-way telemetry services such as TeleVend and AmiClo).

Technical data & dimensions

- 230-240 V
- 50- 60 Hz
- 230 W
- Configuration : base stand
- Refrigerant Gas = R290
- Noise level < 70dB
- Temperatures from 0° to 12°
- Category: 2, 3

Specification

- (wxdxh) 890 x 793 x 1830 mm
- Number of trays (visioshop) : max 7
- Product selection till 53
- Product capacity till 464
- Layout:
 - 100% food
 - 100% CB
 - 100% snack
 - 50% CB + 50% snack
 - 50% food + 50% snack
 - 50% food + 50% CB
 - Snack + food + CB
 - Ambient version

Product carbon footprint scorecard

Energy efficiency D rated

847 kWh/annum
