The heart of the Necta range – the best-selling machine and the ultimate choice for cutting-edge reliability.

Distinctive product attributes

The broadest range on the market

- Available in several configurations –from Espresso to Full Instant or Espresso with Leaf Tea– offering operators the flexibility to choose the ideal setup for any location.

Quick and intuitive user experience

- A backlit capacitive keypad offers 20 intuitive direct selection options. A graphic display ensures seamless interaction, guiding the user during the purchase.
- Backlit customizable photographic panels designed for impactful communication and increased engagement.

Barista wide values

Guaranteed performance

- Proven reliability widely recognized worldwide, making Necta a trusted choice for quality-driven operators.
- Exceptional in-cup quality from our patented Z4000 brewer, available in different versions, to meet everyone's tastes.

Sustainable excellence

- Designed with bio-circular plastics, up to 96% recyclable components and 100% recyclable packaging.
- Sets the standard in the Autocoffee segment with up to A+ rating per EVA-EMP protocol.
- Industry-leading ESG credentials showcase Evoca's sustainability leadership.
